

Photo Opt Out Policy

Steamboat Mountain Soccer Tournament (SMST) uses photographs, photographic images, names, and audio and video recordings of players for general publicity in publications, public relations, promotions, publicity, advertising, and on websites. Any players (or the parents or guardians of such persons, if under age 18) who do NOT want to be photographed or recorded, or to have their names, voices, or biographical materials used in connection with any such recording, must complete a Photo Opt Out Release form and return it to the Tournament Director at td@steamboat-soccer.com.

Unless a fully executed Photo Opt Out Release form is on file, your image and/or likeness may at any time be captured by still photography, videography, or other photographic or electronic means. SMST reserves the right to use any such image, photograph, video, or the like for any SMST-related purpose, including but not limited to promoting, publicizing and/or advertising on behalf of the SMST in print publications, on the Internet, or in other media such as signage and/or presentations.

Players who do NOT want to be photographed or recorded, and who submit a completed Photo Opt Out Release form prior to the current SMST start date, and all parties shall make reasonable attempts to avoid photography, and/or notifying the camera operator of their opt-out status. Failure to do so may result in the player's inclusion in a photograph or recording; it will be deemed equivalent to a release, and will allow the SMST to use that photograph or recording as it chooses.
